ADDITIONAL EVENT INFORMATION

This event is the destination of the extremely popular North Pole Express train featuring the 1225 Pere Marquette locomotive (unless mechanical difficulties necessitate a substitution) arriving twice a day for 12 days, every Saturday and Sunday from November 23 through December 22, 2024, plus two evening only trains on Friday, November 29 and December 20. **There will be no evening train on Sunday, December 22, 2024.** Dates are approximate and subject to change.

This is the 12th year Ashley has hosted the North Pole Express, and there will be attendees from throughout Michigan, every state, and around the world. Train passengers include groups of families, friends, co-workers, and cars with adult only seating. Over 14,000 visitors arrive by train, plus drive-in visitors each weekend to the Country Christmas, with an expected total attendance of nearly 20,000 people. Drive-in attendance continues to increase and the train trips are a sold-out event each year. Many families have made the Village of Ashley Country Christmas an annual tradition.

For more information and to view many photos of past years of the event, the Village of Ashley Country Christmas and the Steam Railroading Institute (operator of the North Pole Express train) can be found on Facebook.

Mid November through December is premium holiday shopping time, and visitors have requested more shopping opportunities of an artisan ware quality. The Country Christmas is striving to provide shoppers with unique merchandise from each vendor, and more opportunities to buy gifts for adults.

The downtown is closed to vehicle traffic while visitors enjoy shopping, entertainment, visiting Santa, seeing the Pere Marquette 1225 steam locomotive up close, and much more.

The event is 1940s –1950s time-period inspired, and vendors are welcome to dress in time-period clothing if they wish, as do many of the volunteers in the Village and visitors.
